

## NOTES ON CONTRIBUTORS

**Ferhat Cagri Aras** (ORCID iD: 0000-0003-2108-1981), Assistant Professor of International Relations at Karadeniz Technical University in Turkey. With a keen interest in South Asian development policies and autonomous weapon systems, Dr. Aras has conducted extensive research in these areas. His expertise also extends to regional policies and security strategies of Central Asian countries, particularly about India. Dr. Aras has been actively involved in fieldwork and case studies, focusing on regional development programs in South Asia and analyzing foreign policy dynamics in both India and Turkey. His research contributions have shed light on the complexities of regional dynamics, emphasizing the interdependence of economic development, security, and diplomacy. His academic pursuits are aimed at improving the understanding of regional cooperation and strengthening ties between South Asia and Turkey.
